REMINDERS:

Please remember to send any personal items the girls may need for comfort. The cabin is fully set up to accommodate a large group of people, so they will all have a comfortable bed to sleep in! They will need their own pillows and blankets or sleeping bags.

Please see attached packing list for some recommended items to bring, but feel free to pack whatever you think your daughter will need! Our Secret sister activity will have a cap of \$5. Your daughter will be filling out a short questionnaire and will then draw a name of another youth to bring a surprise treat or gift.

If you have any questions or concerns, please contact a member of the Young Women presidency listed above.

**WE LOOK FORWARD TO BUILDING
FRIENDSHIPS AND UNITY THROUGH CHRIST,
AND BONDING AS SISTERS IN THE GOSPEL.**
